

Behavioral Health Urgent Care

Immediate access to innovative treatment

Adults (18 and over) who need behavioral health intervention now have a place to go for outpatient urgent care.

The new Providence Medical Group Behavioral Health Urgent Care provides:

- A multidisciplinary care team of psychiatric nurse practitioners (ARNP), a substance use disorder specialist, social worker and peer counselor
- Comprehensive behavioral health care including:
 - Behavioral health assessment for immediate safety concerns and other behavioral health needs, including medications when appropriate
 - Referral to ongoing community-based mental health treatment and case management resources
 - Coordination of care through in-person bridging and/or telephone follow-up to establish outpatient treatment
- Access to care with no appointment necessary, walk-ins are welcome on a first-come, first served basis

Open 10 a.m. – 5 p.m. • Monday – Friday
